Our annual Restaurant Guide shows you how to pau hana like a pro. Here's where local deejays, chefs, designers, coaches and more go for after-work grinds.

“When I’m not working at my new restaurant, Morimoto Asia Waikīkī, I sometimes walk downstairs to the Alohilani Resort’s **O Bar**. I order a cold beer and sit for a moment near the giant aquarium. I like the energy of Waikīkī so I stay nearby even when I’m not busy in the kitchen or greeting guests.”
